ABI Kentmere

For sale at Arrow Bank Country Holiday Park

This spacious 2-bedroom holiday home, measuring 40' x 13', makes excellent use of its generous dimensions to offer a beautifully designed interior. The space is thoughtfully furnished in deep, warm tones and luxurious fabrics, complemented by ample storage throughout.

The inviting lounge features a cosy three-piece suite with a footstool, upholstered in a half-leather finish and rich, warm shades. A gas-effect fire serves as the focal point of the room, while patio doors flood the space with natural light, seamlessly blending the indoors with the outside. Adjacent to the lounge, the well-equipped kitchen is filled with natural light thanks to its multiple windows and convenient door leading outside. It also boasts ample storage space and includes a dining table with seating for four.

The master bedroom offers an en-suite with a large shower, and an additional family shower room provides extra convenience.
