For sale at Arrow Bank Country Holiday Park

Enter the Image through the side hallway, where's there's a handy seating and storage unit with coat hooks offering a practical transition from the outdoors into the home. Off to the right is the modern, open-plan kitchen equipped with plenty of cupboard space and a dining table for four. A skylight overhead fills the room with natural light, making it a bright and enjoyable space for preparing and eating meals. The kitchen has a fridge freezer, microwave, 5 ring gas hob with oven under.

The expansive living area includes a large three seater sofa (which is a sofa bed) and two armchairs, centered around a stylish, longline gas fireplace set against chic tongue and groove panelling. Sliding patio doors with large dual aspect windows allows the light to flood in from every angle.

Back through the hallway are the bedrooms and bathrooms. The twin bedroom has plenty of storage and wardrobe and is served by a bright shower room with velux window. The main bedroom at the back of the Image is really spacious. There's a built in wardrobe and dressing table illuminated by a side window as well as an ensuite bathroom with a bath.

The Atlas Image offers the perfect escape from the stresses of daily life, providing a relaxing and welcoming atmosphere
