ABI Ambleside

For sale at Arrow Bank Country Holiday Park

What a great way to pass the morning - taking photographs in glorious sunshine at Arrow Bank and, on top of that, it's always a joy to be able to spend time in the ABI Ambleside.

Drawn to the sliding patio doors that take you out to the large glass fronted decking (included) with a view of the pool, this feels like a special opportunity to own such a holiday home.

The large open plan living area has a stylish grey leather sofa with electric reclining seats, and matching cool grey vinyl flooring and footstool. The warm woodwork tones bring both a softness and reassuring cosiness to the space. There is an entrance hallway that gives access to the main shower room, a guest bedroom with 2 single beds, and the main bedroom - with en-suite shower room.

It really is a space that needs to be experienced. Come and take a look for yourself.
